

*Leading Canada to victory and Canadians to a
life-long passion for soccer*

The Canadian Soccer Association
FIFA Women's World Cup 2015

&

FIFA U-20 Women's World Cup 2014

Bid Requirements Overview

Government

- Proven civic and provincial support in hosting major, international events

Hosting Experience

- Significant civic and regional major event hosting experience
- Proven track record in securing and mobilizing event volunteers

Stadium

- Modern, competition ready venue with a minimum of 20,000 fixed seats, including premium VIP, Suite and hosting areas
- Natural grass or FIFA Approved artificial turf
- Sufficient support facilities, including dressing rooms, media areas and broadcast facilities, capable of supporting international level competition
- State of the art technical facilities, including in-stadium video board, broadcast quality field lighting, significant voice and data transmission capacity and redundancy for critical operating systems

Bid Requirements Overview

Training Sites

- Minimum of four distinct training sites, each with quality grass or artificial surface and team facilities convenient to hotels and stadium

Accommodation

- Multiple hotel properties, four star or equivalent, within 20 minutes of Stadium and Training Sites, with a variety of room types available
- Significant conference and meeting room space available at each hotel property
- On site food and beverage operations, to support extensive dining and service requirements

Medical Facilities

- Extensive medical support facilities, including 24 hour emergency services, ambulance service and qualified medical personnel

Bid Requirements Overview

Transportation

- Air, ground and rail operations to support domestic and international travel requirements, including scheduled and charter air
- Convenient access and proximity to competition sites
- Superior motorcoach availability and selection to support event requirements
